

REQUESTS FOR QUOTATION – 2019-05
ANNUAL PULVERIZE & PAVE

The Township of Nipigon is issuing this Request For Quotation (RFQ) to Pulverize & Pave a 125 meter (m) section of Fourth Street from Bell Street to Hudson Street in Nipigon Ontario.

Proposed Scope of Work

To Pulverize & Pave approximately 125 m of Fourth Street. The width is on average 8.5 m and the thickness of the asphalt to be placed is 50 mm of SP 12.5. It is anticipated that there will be a minimum of a 2% crown in the new asphalt. It is anticipated that there will be a +/- 3 month delay between pulverizing and being ready to place the asphalt. After pulverizing the Township intends to make a base repair with internal forces. Contractors should anticipate separate mobilizations for the pulverizing and the paving.

Contractors are asked to provide a price for SP 12.5 and specify if 1 lift or 2. It is anticipated that the Contractor will pulverize in one (1) mobilization and demobilization; and, at a later date pave in a second mobilization and demobilization. It is expected that the successful Contractor will complete a “walk through” of the site to confirm adequacy of base prior to paving. Anticipated schedule:

- Pulverize late spring early summer of 2019
- Township make base repair during summer of 2019
- New concrete curb & gutter to be placed late summer early fall 2019 (separate RFQ)
- Supply & Install all asphalt for roadway late summer early fall 2019
